PROVINCIAL CHARITIES COMMITTEE

The Provincial Charities Committee meets on the dates fixed for regular meetings of the Finance and General Purposes Committee or at such other times as shall be appointed by the Provincial Grand Master (Provincial By-Law VII).

Sussex 2028 Festival Appeal

The Provincial Grand Lodge of Sussex is currently 'in festival' until 2028. The four Charities amalgamated in 2016 and the Masonic Charitable Foundation (MCF) was born. The Sussex MCF 2028 Festival (MCF 2028) was launched in 2022. The route for funding the Festival is directly to the MCF. There are a variety of methods that can be used to fund the appeal through the MCF. A very useful booklet 'Sussex 2028 Festival Appeal' has been produced and copies have been circulated throughout the Province, this booklet details those methods and a pro forma document is within the booklet for use by any Brother and or Lodge.

There are, and there may be in future, times, when donations are made by Brethren or Lodges to fund other Sussex Charitable schemes. Although not relevant to the Sussex 2028 Festival Appeal an 'Extract from the Rules' is detailed below for those few occasions.

Extract from the Rules

- 1 Every sum of money received by the Lodge Charity Steward on account of a donation to, or to an Honorific office in, any of the Institutions mentioned below shall be deemed to be received by him on behalf of the Sussex Masonic Charitable Foundation CIO Trustees (hereinafter called the Trustees) and he shall, without undue delay, deposit the same in a Joint Account at a Bank in the names of two Brethren to be notified to the Trustees. He shall keep a complete record of all monies received on the Report Form supplied by the Trustees.
At the end of each Quarter in March, June, September and December, he shall forward the Report 'A' Form, duly entered up to date, to the Provincial Grand Charity Steward with a cheque made payable to "Sussex Masonic Charitable Foundation CIO" for all monies received by him as shown on such Form, such cheque to be drawn on the account opened for that purpose.
For audit purposes, in December Quarter the Report 'A' Form and monies received should be in the Provincial Charities Office by not later than the 20th December.
Upon demand, he shall forward to the Provincial Grand Charity Steward the Pass Book of the Bank Account together with receipt books and any other books kept in connection with the account.
- 2 Members of Sussex Lodges may qualify for Honorific office of the Masonic Charitable Foundation by subscribing through the Charity Steward of each Lodge, preferably in response to recognised Festival appeals. Details of the Rules Sussex Masonic Charitable Foundation CIO are available on request.
- 3 All monies received by the Trustees shall, in the absence of specific directions by the respective donors, be applied by such Trustees for the benefit of such Masonic or other charitable institutions, as Provincial Grand Lodge shall resolve and in accordance with the terms of the Trust Deed (Provincial By-law VII (4)).
- 4 Pending periodical payments to the Institutions, the monies so subscribed may be invested in Trustee Securities in the names of the Trustees or placed on deposit with Bankers by the Trustees.
- 5 Any surplus funds (after payment of expenses) arising from interest from invested monies or gifts may be utilised for Masonic Charitable purposes under the direction of Provincial Grand Lodge.
- 6 The Trustees shall present a report of their proceedings at each meeting of the Charities Committee and, at the Annual Meeting their report shall be accompanied by a Statement of Accounts, made up to the preceding 31st December and audited by a firm of

- professionally qualified accountants and such Report and Accounts shall be submitted at the next Annual Meeting of Provincial Grand Lodge (Provincial By-Law VII (6)).
- 7 Any Brother receiving or holding monies for or on account of any of the Charity Funds administered by the Trustees (whether as Charity Steward of his Lodge or otherwise) shall observe the Rules of the Charities Committee in respect thereto, as approved by Provincial Grand Lodge (Provincial By- Laws VII (10)).
- 8 The Rules may be altered at any time by a duly summoned Meeting of the Committee provided that at least 14 days' notice is given in the notice calling the meeting with full particulars of the proposed alterations and additions, but such alterations shall not become effective until approved by the Provincial Grand Lodge of Sussex.

BEQUESTS

If any Sussex Mason should consider making provision for a bequest or legacy in favour of Sussex Masonic Charitable Foundation CIO, the following wording is suggested for inclusion in his Will:

"I give the sum of £ to the Trustees for the time being of Sussex Masonic Charitable Foundation CIO, at 25 Queens Road, Brighton, East Sussex BN1 3YH, to apply to such charitable causes as they may think appropriate in their absolute discretion, and I declare that the receipt of the Treasurer or other proper officer for the time being of the Charity shall be a full and sufficient discharge for my executor(s)".

SUMAFIN LTD

Sumafin, a Company limited by guarantee, was formed in 1967 to seek deposits from Lodges and Members in Sussex and to use the funds to assist in the building and refurbishment of Masonic Centres in the Province. It was felt that it would be preferable to have a central fund for such major project financing rather than Lodges having to make appeals to Brethren individually. Provision of the finance to Centres would be protected by the Company taking a charge against the Centre assets.

Since 1967, the Company has assisted many Centres with substantial loans and continues to encourage Centres to make an approach should they have major work needing funding. It would be expected that a suitable proportion of the expenditure would be met by Lodges and Brethren from the Centre with the balance advanced by Sumafin, after the Directors of the Company are satisfied that the necessary annual cash flow of the Centre will be able to repay the loan and interest over the period agreed.

Management of the Company is a Board of ten directors. Masonic Centres wishing to enquire about the financing of a project should write to the Provincial Grand Secretary, Sumafin Ltd, 25 Queens Road, Brighton, East Sussex BN1 3YH.

MENTORING

The obvious question is what does a Lodge Mentor do?

Well, the simple answer is to keep Masons in Masonry. How is this achieved? That is the tricky part. Due to the number and variety of the Brethren in our Fraternity, the answer is multi-layered. Predominately, Masonry must be FUN, if the Brethren are enjoying themselves, they will stay and, importantly, they will want to bring in friends, family, and colleagues to share their enjoyment.

The Lodge Mentor should be working closely with the Lodge Membership Officer to help try to create the right Lodge ethos not only attract new brethren but to maintain their interest and enjoyment following their Initiation. One very good starting point is for each Lodge to form a small Lodge Membership Committee dedicated to the joint task of recruitment and retention. To this end, the Committee might well look to organise Lodge events and socials to help to keep the brethren engaged and to help attract new recruits. The Committee have many outside sources to assist them in their important task.

These are:

Group Mentoring Leads.

Each Lodge has been assigned to one of the four new groups and will have a mentoring lead identified to them via the group structure; they keep regular contact with the Lodge Mentor. Their duty is to aid, assist and guide if requested. They will forward on items of interest and updates. They can be used to resolve issues the Lodge may have and to provide speakers to help persuade all the members of the importance of the work of the Mentoring and Membership personnel and the Committee.

Light Blue Clubs

There are five Light Blue clubs in Sussex, they are continually active and they each hold regular events open often to all members and their friends and family alike. My advice is to sign up to them all and, without any commitment or personal cost, you can encourage attendance to all kinds of social events which may be of interest to you and your members, particularly your new ones. This can take the pressure of the individual Lodges to create events themselves. These clubs also provide an opportunity for young Brethren to meet similar, like-minded Brethren with

whom they will progress together through their Masonic life and introduces the vital concept of Masonic visiting.

Centre Events

Several Centres host events, which are successful. They provide a platform for a Lodge to invite prospective candidates and to keep current Brethren engaged and having fun. If your Centre does not or is not arranging events why not ask them to consider it. We have a dedicated Events Team, which is available to advise and assist Centres with this.

The Pathway Presenters

UGLE has designed the Members Pathway. It is the governing protocol that covers gaining candidates, keeping candidates, the introduction of the Holy Royal Arch and interviewing Resigning Brethren with a view to retaining their membership. There is a team of Pathway talkers that have been, and will continue, to visit all Lodges either during Meetings, GPC's or virtually. Their aim is to focus the minds of the members to help in getting and keeping membership.

Website

The new Provincial Grand Lodge of Sussex website is a crucial tool for a Lodge Mentor to utilise. It regularly updates various calendars on the website all of which are of use. The 'Calendar of Ceremonies' shows all meetings, dates, times, ceremony and a copy of the summons, so all Brethren can visit other Lodges to see those meetings. The "Light Blue" calendar shows all their social functions, as does the "General" calendar that shows all the major Provincial events that should not be missed, such as the New Brethren Banquet etc. The website also shows all the latest news and relevant information on such aspects as Masonic Charities, Hermes and Solomon.

Brethren, the future of Masonry is in our own hands, we are in control of our own destiny. A third of all Sussex Lodges have two or more candidates every year, another third have one a year. Unfortunately, this means that the last third have none. How can they survive? Recruitment can be achieved; candidates are out there. Have FUN, enjoy yourselves and help others to join us and share our enjoyment.

UGLE UNIVERSITIES SCHEME

Over 200 years ago, (1818) Apollo University Lodge was founded at Oxford University, closely followed by Isaac Newton University Lodge at Cambridge University. Since that date thousands of undergraduates, postgraduates and faculty members have been introduced to Freemasonry and these two Lodges provided the inspiration for the setting up of the UGLE Universities Scheme in January 2005 with the stated aim ‘To establish and/or enhance arrangements and opportunities for undergraduates and other university members to enjoy Freemasonry’. Since its inception, the scheme has attracted over 85 “participating Lodges”. These Lodges attract student members of 18 years and above and benefit from the fact that all under-25s are aided by the decision by Grand Lodge and most Provinces, Sussex included, to halve their dues in order to make Freemasonry as accessible to as wide an audience as possible.

The spirit of the Universities Scheme was summed up by the Grand Master, HRH the Duke of Kent, who said at the 2010 Annual Investiture of Grand Lodge, “A real benefit the Scheme confers is having young intelligent men joining us who will, we hope, contribute greatly to the future of the Craft, as potential leaders and sources of inspiration.” An example of the truth of this statement is that our own Grand Secretary and Chief Executive Officer, Dr David Staples, is indeed a product of this Universities Scheme.

Participating Lodges not only receive candidates from their local University but also act as receptors for graduate members and University faculty members migrating from other Provinces. The Province of Sussex has three successful Scheme Lodges. Arthur Jolly No 8102, who joined the Scheme in 2019, taking over from Brighton & Hove Civic Lodge, and looks after both the University of Sussex, which has its campus at Falmer with 14,000 students and the University of Brighton which has 5 campuses spread across Brighton. Lodge of Union No 38, who joined the Scheme in 2016, looks after the University of Chichester which operates across two campuses at Chichester and Bognor with over 5000 students. The latest Scheme Lodge is Verity Lodge No 4870 which joined the scheme in September 2021 covers the campuses in Eastbourne and which caters for almost 3,000 students under the management of the University of Brighton. However, the University is moving the campus from Eastbourne to Brighton. Add to these the high number of faculty academic staff then a sizeable potential membership soon becomes apparent. The Scheme President, R.W. Bro Sir David Wootton, Assistant Grand Master and a Scheme Committee acting under the authority of the Board of General Purposes, administers the Universities Scheme.

PROVINCIAL COMMUNICATIONS

2021 has seen major changes in the delivery of effective media and communications within the Province and an increasing focus on a 'digital first' approach.

Digital first simply means considering producing something in a digital format before a traditional print medium. That is not to say that everything that we do can, or should, be produced digitally, but that it should be the first approach to be considered.

There are a number of benefits to adopting this approach. Digital allows for easier design, greater flexibility and quite often a better visual experience. It also allows for greater cost efficiencies, an important consideration in these financially difficult times.

The launch and continuing development of our new sussexmasons.org.uk website, a platform that will become increasingly important to us as we make more and more of the information that members and Lodges need, available to them on an 'on demand' self-service basis.

The impact of Covid-19 had seen exponential growth in the use of online technologies and different forms of communication. The adoption of their use and the changes they have brought, which may in more normal times have taken years to become pervasive, has taken place within weeks, providing fertile ground for innovation and new ways of working.

Provincial communication has reflected these changes, with regular video updates on key issues being created and posted on our website and across social media, and briefing sessions being held on the 'Zoom' platform. Actively encouraged by the provincial Grand Master/Grand Superintendent, Lodges and Chapters have also quickly adopted Zoom for their social and administrative get togethers, for many of which they are joined by members of the Executive Team. This use of video conferencing is continuing.

Social media continues to be an important positioning, engagement and outreach mechanism for us as we use the key channels (Facebook, Twitter, Instagram) to not only raise public awareness of freemasonry in Sussex, but to amplify the amazing work that Lodges continue to do in supporting our Sussex charities and communities. I would particularly like to thank W. Bro Mike Alderson and Nicholas Broadway for their tireless work that they provide supporting our press, public relations and social media output.

Whilst our ability to meet as freemasons has been sporadic, the work of the Sussex Masonic Charitable Foundation CIO (SMCF) and the Masonic Charitable Foundation (MCF) continues unabated. Provincial communications has actively supported the work of the SMCF and the MCF throughout the year and all opportunities are taken to maximise the visibility and impact of the work they do throughout Sussex.

Freemasonry can be complex and difficult to understand. Not only are there numerous orders and structures to Freemasonry, there are multiple levels within each order. It is therefore crucially important that the branding and messaging of both Craft and Royal Arch Freemasonry in Sussex is clear and consistent.

Recognising this need, the Craft and Royal Arch Masons of Sussex Executive Boards have approved the new brand guidelines for use within the province. This major piece of work, now underway, will help ensure that our brand, wherever and however it is used and applied, is constant and identifiable, avoiding both confusion and dilution.

The significant challenges that the Province faces will undoubtedly continue into the coming year, but the foundations for effective communication are now firmly in place.

SUSSEX MASONIC CLAY SHOOTING ASSOCIATION

Patrons

R. W. Bro Christopher L Moore, Provincial Grand Master, Sussex

V. W. Bro Maurice G. Adams, Deputy Provincial Grand Master, Sussex

The members of Dirigentes Lodge No.9956 and Burgess Hill Lodge No.4995 formed the Sussex Masonic Clay Shooting Association 14th August 2021, at the Home Counties Inter-Provincial Clay Shooting Competition, which was run by both lodges and the staff of Northall Clay Pigeon Club, Fletching, East Sussex.

We are a non-profit organisation, which is the central point of communication for Sussex Masonic shooters for clay shoots, competitions and charity events run by other Provinces and Societies in association with the National Association of Masonic Clay Shooting Societies of whom we are members.

We aim to raise awareness of the sport and masonry by bringing together masonic shooters with their families and friends including non-masons and encourage the involvement in local and national competitions to elevate Sussex's profile on a wider stage by representing the province as members of the association at competitions and in raising money for charity.

Membership is open to all freemasons who are subscribing members of masonic units in Sussex, and we are very proud to have R. W. Bro Christopher L Moore and V. W. Bro Maurice G Adams, as honorary patrons, along with the support of the Provincial Grand Lodge of Sussex. For further information and how to join us, please e-mail: sussexmcsa@gmail.com

SUSSEX MASONIC SHOOTING SPORTS ASSOCIATION

We are a group of masons who enjoy one of the many forms of shotgun shooting and get together for a friendly, informal clay shoot on the first Friday in the month at Southdown Gun Club just north of Worthing. Non masons and wives or partners are equally welcome to the monthly shoot or any of the charity events that are held throughout the year.

Artemis Lodge, No 9964, is closely associated with the SMSSA and holds an Annual charity shoot in conjunction with the SMSSA. The lodge has a shooting sports theme with members wearing shooting attire for regular meetings and with game regularly on the menu. Meetings will be held on the second Wednesday in February, April, September and November. If you're interested go to www.artemislodge.org for more details.

Every year we hold a charity shoot at Southdown Gun club. This is a relatively informal shoot, suitable for relatively inexperienced as well as experienced shots. There are prizes but it is not that serious and there's the opportunity to have a go using black powder as well as regular shooting. It starts in the morning with breakfast and ends over a pub lunch.

If you shoot, would like to shoot, or would like to meet other masons who shoot, you will be certain of a warm welcome. We can accommodate those new to shooting by arrangement. Just visit the Artemis web site or www.smssa.org.uk or contact the Secretary:
